The 6 Outstanding Benefits

1 World's Best Products

As the global expert in occupational skin care, our unrivalled products are specially designed to provide optimal performance, with skin friendly formulas that respect the environment. All our products are manufactured to international standards for quality and regulatory compliance.

2 Incomparable Breadth of Range

All the skin care requirements of all end users in all market sectors are addressed in one range. By selecting the specialist products that are appropriate for each workplace environment, our range can be completely tailored for integration into a dedicated skin care program that will drive improvement in skin care standards.

3 Continuous Innovation

Our range includes unparalleled innovations and 'World Firsts'; through investing more in R&D than any other occupational skin care specialist.

Deep Knowledge & Support

4

The Deb Stoko range is exceptionally supported by the world's largest dedicated sales team, expertly trained and supported by a comprehensive, internationally team of technical and scientific occupational skin care experts.

Cost Advantage

5

The comprehensive range ensures the right product can be used for the right application for optimal use and efficiency, with controlled dosing to minimize waste. All Deb Stoko product formulations and dispensing systems are designed, developed and manufactured in-house to provide the best choice solution for every application and to deliver cost advantage.

Smart Packaging

6

With a unique understanding of customer behavior, our smart packaging has been designed to be eye-catching, yet universally understood to drive compliance and correct product usage.

Our 4-Step Approach to Superior Skin Care

Our product range accommodates a broad variety of user preferences and application requirements. All Deb products are fully tested, supported and color-coded for easy identification.

PROTECT

Pre-work protection creams help protect the skin against contact with various workplace contaminants, irritants and working conditions.

- UNIVERSAL
- SPECIALIST
- UV

CLEANSE

Appropriate cleansing of the hands plays a vital part in preventing occupational dermatitis. Using the appropriate cleansers will help with removing dirt and irritants while keeping the skin in a healthy condition.

- WASHROOM
- ANTIBACTERIAL
- LIGHT
- SHOWER
- MEDIUM HEAVY
- HEAVY
- SUPER HEAVY
- ULTRA

SANITIZE

Hand sanitizer that can be used without water to kill germs and provide a higher level of hand hygiene.

- ALCOHOL
- NON-ALCOHOL

RESTORE

After-work skin restore creams help to maintain the skin in healthy condition by keeping the skin soft and supple, avoiding dryness. Good skin condition is an important element in ensuring good hand hygiene practice.

- NORMAL
- DRY / STRESSED
- VERY DRY / STRESSED

Deb Stoko Product Brands

The Deb Stoko Range has a number of internationally established product brands

PROTECT

Pre-work skin protection creams help protect the skin against contact with various workplace contaminants, irritants and working conditions. Pre-work creams help form a protective layer on the skin to prevent the penetration of contaminants into the skin and to make skin easier to clean.

Washroom Soaps

Hair & Body Wash

Green Seal Certified - This product meets Green Seal™ Standards GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. Greenseal.org

NSF Certified

The NSF certification mark assures that a product complies with all standard requirements set forth by the NSF to guarantee product quality, compliance and safety.

Why Foam Soaps Are Better Than Lotion Soaps

Independent research shows that Deb Stoko foam soaps require 36% less product for an effective hand wash compared with traditional liquid/ lotion soap. The research also reveals that using foam soap instead of traditional lotion/ liquid soap reduces:

- Water consumption by up to 45%
- Product consumption and chemical waste
- The energy required to heat washroom water
- Packaging waste

* Studies conducted in the UK in 2009

CLASSIC FOAMS

TouchFREE Dispensers

Stylish and highly efficient TouchFREE dispensers with exceptionally long battery life for wall-mount or counter-mount applications.

- Specifically designed to deliver the right amount of product every time, minimizing over-use and wastage.
- Integrate with hygienically sealed cartridges to eliminate mess and provide fresh product every application.
- Low maintenance, combining robust and easy-to-clean dispenser surfaces with rapid cartridge replacement.

Wall-Mount TF Ultra™

For use with the Deb Stoko Range of washroom foam soaps, antibacterial foam soaps and foam hand sanitizers.

Innovative low energy infrared sensing technology provides up to 5 years battery life

A silver-based antibacterial agent that inhibits the growth of bacteria and molds

Counter-Mount CTF Ultra™

For use with the Deb Stoko Range of washroom foam soaps and antibacterial foam soaps.

- Flexible design allows any orientation to guarantee housing in most facilities
- Built-in light indicators notify facilities when refills and batteries need replacing
- Up to 3 years battery life or 90,000 hand washes - Up to **4.5 times longer** than other similar systems

Custom Dispensers

The range of dispensers featured in this product guide has been carefully designed to complement the Deb Stoko Skin Safety Regimen. In addition, our cutting-edge print technology can be combined with a wide variety of component color options to decorate a dispenser that is unique to you.

Our design teams can work with you to create a Deb Stoko Dispenser that reflects your own identity or specification.

Our exclusive design development and manufacturing process produces permanent decorations that are chemical and fade resistant and will last the life of the dispenser.

From corporate branding, to logos, instructions for use, or eye-catching photographic quality images.

Product Usage Pictograms

NSF Certified

The NSF certification mark assures that a product complies with all standard requirements set forth by the NSF to guarantee product quality, compliance and safety.

USDA Biopreferred

The USDA BioPreferred Program certifies that products meet national standards for the amount of content derived from renewable biological resources, or biobased content. Products have been tested and certified by the USDA.

ECOLOGO

The UL Environment ECOLOGO Certification Mark assures that products meet stringent, lifecycle-based standards of environmental leadership and have a reduced impact on natural ecosystems, lowered carbon emissions, and minimized chemical exposure.

Deb InstantFOAM®

Instant Alcohol Hand Sanitizer

Kills 99.999% of many common germs in 15 secs

- Perfume-free and dye-free, hypoallergenic, alcohol based hand sanitizer
- Quickly and easily spreads across the hands compared to gels. Leaves no sticky residue
- Contains moisturizers to prevent skin dryness

Where to use:

Ideal for use in any work environment or public area where a higher level of hand hygiene is required

Deb InstantFOAM® Complete

Broad Spectrum Instant Alcohol Hand Sanitizer

Kills up to 99.9999% of many common germs in 15 secs

- Perfume and dye-free, hypoallergenic, alcohol based hand sanitizer, clinically proven to prevent skin dryness even during high frequency usage
- Broad spectrum, highly effective and non-tainting to food
- Compatible with latex, nitrile and vinyl gloves
- Quickly and easily spreads across the hands compared to gels. Leaves no sticky residue
- To be used as a preventative hand hygiene measure or as part of an outbreak measure

Where to use:

Ideal for critical hand hygiene situations where close or semi-closed quarters may increase the likelihood of outbreaks (eg. cruise ships, food manufacturing and long term care)

Deb Stoko Systems

Dispensers

A unique range of 1 Liter, 2 Liter and 4 Liter closed, sealed cartridge dispensers for use with all Deb Stoko skin care products.

- Sealed systems - 'fresh' product is dispensed every time
- Optimal Dose - delivers right amount to prevent over-use
- Lockable - stops unauthorized access
- Large Buttons - easy to use
- Collapsible Cartridges - minimize product residue and waste
- Wipe Clean Surfaces - quick and easy to maintain
- Non-Drip, Non-Clog - leaves no mess
- Convenient - empty cartridges are easily replaced in seconds

All Deb Stoko range dispensers are protected by BioCote®, a silver-based antibacterial agent that inhibits the growth of bacteria and molds.

All dispensers manufactured by Deb are guaranteed for life.

Skin Care Centers

A range of durable boards that are ready-assembled with appropriate Deb Stoko dispensers to create a complete skin care program.

Deb Stoko Support

For any organization, the implementation of skin care practices that are collectively followed and universally understood is an ongoing challenge.

Therefore, to help with this process, Deb has created a unique education and audit support program available to all customers of the Deb Stoko Range.

Ongoing Site Education & Awareness

To help maintain improved skin care standards, we provide a number of communication tools to support ongoing education and awareness.

Audit / Conducting 'Pre & Post' Audit

Audits help establish and maintain the effectiveness of the Deb program and ensure you are completely satisfied with the newly installed Deb products.

ABOUT DEB

Deb is a world leading occupational skin care company.

Our expertise extends to all professional sectors with dedicated skin care programs. For over 80 years, we have been at the forefront of research into skin care products and dispensing systems.

Deb is committed to working with organizations who wish to engage and empower their employees to make hands matter in the workplace. Deb Group is part of SC Johnson, a privately held family company and one of the world's leading manufacturers of products for cleaning, home storage, air care, pest control and shoe care.

-
- Our products are used over **150 million times** every day
 - **97%** of our products are manufactured in our own production sites
 - **23 operations** covering **5 continents**
 - Our two state-of-the-art dispenser manufacturing facilities can produce up to **5 million** dispensers per year
-
